## PRESS RELEASE

Doug and Rita Sukeforth will host BingSol the 3<sup>rd</sup> Annual Pig Roast and Auction on Saturday, October 10<sup>th</sup> at "BingSol", their family camp in Bingham. Proceeds will benefit Hospice Volunteers of Waterville Area and the Spectrum Generations Meals on Wheels program of Kennebec and Somerset counties. The Sukeforths organize the event with help from their family and friends. "These are two very worthwhile charities in our area" said Doug Sukeforth. "We are hoping to match or exceed the \$45000 we raised last year and are confident we can top that mark with help from individuals and businesses in the community. It is a great way for families to spend the day together too so we have tried to make it affordable for everybody."

For a modest entrance fee guests will enjoy a pig roast and barbeque, games, an evening bonfire, camaraderie, and more. A "Silent Auction of Theme baskets and More" will be open for bids throughout the morning and auctioneer Jay Hanson will lead an entertaining live auction after lunch beginning about 1:00pm. A 50/50 raffle promises to create excitement as well!

"The Sukeforth's welcome guests with open arms" said Dale Marie Clark, executive director at Hospice Volunteers of Waterville Area. "We are so fortunate that the Sukeforth family holds this benefit and BingSol really is the ideal location for this event. It sits high atop a hill with lots of room to roam, a fish pond, trails and spectacular views of the western mountains at peak foliage. A large tent with side curtains and heaters will assure guests comfort in case of inclement weather. I cannot think of a better way to spend an October afternoon and evening" said Clark.

Guests should bring their own beverages and lawn chairs. Cost is \$15 per person; \$20 per couple; or \$25 per family of 3 or more. Gates open at 10:00am and the dinner buffet will begin at 12:00noon.
